

# Student Achievement Reporting Guidance

## Hoyt Middle School 2024-2025

**Infinite Campus** includes information related to student learning progress at three levels:

- Individual Learning Target Performance
- Understanding of a Topic (course standard)
- Semester Grade

Each level has a different corresponding scale to represent student progress.

### Learning Task/Target Performance

**Learning Target Performance** (assessments, tests, quizzes) align to specific “Learning Targets” within a course Topic. Progress toward the Target is based on individual tasks.

**ET: Exceeding Target**

understanding exceeds grade-level learning

**AT: Achieving Target**

complete understanding of grade-level learning

**PT: Progressing Toward Target**

incomplete understanding of grade-level learning

**NM: Not Meeting Target**

task attempt includes no evidence of grade-level understanding

### Topic Score

**Topic Scores** are a broader representation of understanding, based on the cumulative learning target scores aligned to the same Topic (standard). Topic scores are not an average of target scores or tasks.

Demonstrates proficiency (AT) and <b>exceeds</b> grade-level expectations in <b>all</b> learning targets.	4
Demonstrates proficiency (AT) in <b>all</b> learning targets and <b>partial</b> success at exceeding learning targets.	3.5
Demonstrates proficiency (AT) in <b>all</b> learning targets.	3
Demonstrates proficiency (AT) in <b>at least half</b> of learning targets.	2.5
Demonstrates some success criteria (PT) toward <b>all</b> learning targets.	2
Demonstrates some success criteria (PT) toward <b>some</b> learning targets.	1.5
Does not meet minimum criteria toward learning targets.	1
Produces no evidence appropriate to the learning targets at any level.	0

### Semester Grades

At the end of a semester, **Topic Scores** are averaged to create a **Semester Grade** that represents a final description of student capabilities of all course Topics (standards) taught within the semester.

**A(Honors)** = 3.50 to 4.0

**A** = 3.0 to 3.49

**B** = 2.50 to 2.99

**C** = 2.0 to 2.49

**D** = 1.75 to 1.99

**F** = 0 to 1.74

### Monitoring Student Progress

Infinite Campus is the digital platform and downloadable app used by Des Moines Public Schools to report student progress. Teachers update progress every two weeks. Please check Infinite Campus to help track learning.

Infinite Campus can be accessed at <https://www.dmschools.org/quick-links-parents/>

If you need support accessing Infinite Campus, please call the Hoyt Office at 515-242-8446.

Additional information about grading at Des Moines Public Schools can be found at [grading.dmschools.org](http://grading.dmschools.org)
